

Director Bio – Colin Tapscott

Colin Tapscott

Director, Consultant, Trainer and Coach

Colin believes that learning comes when you mix high quality research based thinking with engaging activities and opportunity to reflect on your situation. This blending of learning styles ensures clients love learning and it embeds in their practice – it creates lasting change. . . and they want to come back for more.

Colin's career has been mainly in the field of education. He was a Headteacher for 17 years in schools in Hertfordshire and Suffolk. His first headship was amalgamating two schools to form one large successful 470 place primary school. His last headship was in a 650 place primary in Ipswich. With ten of his former senior staff now working as headteachers, he knows how to develop and empower staff to lead.

Colin founded Everyday Leader with the belief that anyone can be a leader. With the right training and coaching we can all ensure our performance matches the amazing potential we have.
